Hey Gary,

I gave your contact info to Vicki Wolf; she is writing an article about SJRP for **CLEAN - Citizens League for Environmental Action Now! - Home Page**[www.cleanhouston.org](http://www.cleanhouston.org).

I just got off the phone with her, earlier today she talked to Snehal. She wanted to know how Harris County was involved with the Superfund process for the site. We both told her how well things were going at the site and how well the CAC was working.

From her line of questioning and our conversation I got the impression that she did not have a negative agenda...

Bob
